Forecast For East of England
Issued by Met Office Exeter
at 0400 on Saturday 17 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny and very warm, locally hot at times.

Today:
Early mist and fog patches, mainly across Norfolk, will quickly burn away this morning leaving a dry and bright day with plenty of strong sunshine. Feeling hot across much of the region, possibly a touch cooler by the coast. Maximum temperature 27 deg C (81 deg F).

Tonight:
It will be a dry and sunny evening and continue to feel warm. Overnight the skies will stay clear, although it may turn misty by dawn near the coast. Minimum temperature 17 deg C (63 deg F).

Sunday:
A dry day across the region with strong sunshine. Feeling hot for many, a bit cooler on the east coast with a light onshore breeze. Maximum temperature 30 deg C (86 deg F).

Outlook for Monday to Wednesday:
Variable cloud from Monday onwards. Staying dry for many, but a risk of showers developing across the south on Monday afternoon. Staying warm.
